

Housing Options for Temporary Housing for Incoming Trainees

We understand that some of you may not have the ability or be comfortable to look for permanent housing here in Durham prior to starting your GME program. Duke Health and the GME Office have worked with two local hotels to offer incoming trainees a heavily discounted rate for temporary stays as you look for a place to call home. The booking information and rates are below. Rates are good for now until end of July.

Unscripted Hotel

202 N Corcoran St. Durham, NC 27701
